

Great Cransley Parish Survey August 2017

Survey Analysis

Prepared Aug 2019 by Richard Cox

Background to Aug 2017 Survey

- Questionnaire sent out by Parish Council to all Parish residents
 - 35 responses August 2017 representing 47 residents (some joint responses)
 - Great Cransley population @ 2011 census - 305
- A summary analysis was carried out (est. late 2017) on the survey responses by the GC Parish Council but not published and no further action taken
- GC Neighbourhood Plan Steering Committee formed March 2019
 - The need for a more detailed & transparent survey analysis became evident

Survey Analysis Methodology - 2019

- Survey data consolidated into a single spreadsheet
- Analysis of responses to each question with weightings according to the number of resident responses
- Some questionnaires included attachments and additional comments. These to be considered later when preparing the Neighbourhood Plan
- Survey analysis designed to provide full transparency
